HLUMELO FALTEIN

SOFTWARE DEVELOPER| ACVTIVELY SEEKING NEW OPPORTUNITIES

OBJECTIVE

I am currently exploring opportunities to broaden my experience and skills, particularly in the realm of implementing new design principles. My focus is on refining my ability to create applications that are both visually appealing and highly functional. Excited about the prospect of collaborating in dynamic environments.

SKILLS & ABILITIES

Microsoft Office Suites
Python
HTML5 & CSS3
JavaScript
Microsoft Azure

Languages: English, IsiXhosa, Afrikaans.
